Thanks to the generosity of Burger's Lake for hosting us for the 10th year! This is a private event for Walk-N-Roll participants only, and won't be open to the general public. The Walk-N-Roll is a family-friendly 1/2 mile walk around Burger's Lake.

The purpose is to raise funds and bring Spina Bifida awareness to the community. It is followed by a day of fun for our participants and supporters. Activities will include:

- \* Enjoying Burger's Lake, a spring-fed swimming hole with trees and sandy beaches
- \* Visiting Sponsor and Resource Booths
- \* Musical Entertainment \* Games \* Picnic Team Shirt Contests \* Much, much more!
