

# Featured Speakers

## Dr. Richard Adams

**Pediatric  
Developmental  
Disabilities**

Dr. Adams is the medical director of Pediatric Developmental Disabilities at Texas Scottish Rite Hospital for Children. Dr. Adams is board certified through the American Board of Pediatrics in two sub-specialties: neurodevelopmental disabilities and developmental-behavioral pediatrics. He is a member of the Camp John Marc Advisory Board, and for 18 years, he has served as the medical director of "Camp TLC," an annual camp for 100 youth with spina bifida. In addition to clinical and teaching activities, Dr. Adams has published widely in the field of developmental disabilities based on his clinical research efforts at TSRHC.

## Dr. Bradley Weprin MD

**Neurosurgeons  
For Children**

Dr. Weprin is a member of the American Board of Neurological Surgery and American Board of Pediatric Neurological Surgery. He joined Neurosurgeons for Children in 1999; Co-director of Neuro-oncology program at Children's Medical Center Dallas.

## Dr. Patricio Gargollo, MD

**Pediatric  
Urology**

Dr. Patricio Gargollo was recruited to Children's Medical Center Dallas to lead the minimally invasive surgery and robotics program in pediatric urology. He is one of the only pediatric urologists in the country with specialized and advanced fellowship training in minimally invasive and robotic surgery and he holds a degree in these advanced techniques from Harvard Medical School.

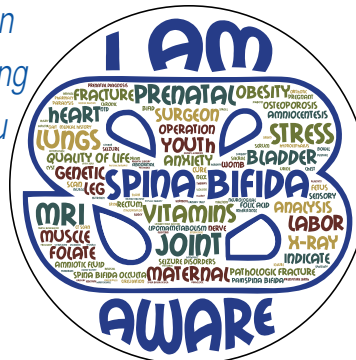

## Dr. Veronica Meneses, MD

**Developmental  
Disabilities**

The newest pediatrician to join the Spina Bifida team at TSRHC. Dr. Meneses graduated from Cornell Medical College and did post graduate training at Childrens Hospital in Los Angeles. Dr. Meneses has expertise in developmental and behavioral pediatrics.
